

TAP INTO THE POWER OF

# 100 WISE WOMEN

***CELEBRATING 20 YEARS!***

**100 Wise Women is the Leadership Louisville Center's premier event series, connecting women at every stage of their careers with the power of mentorship, inspiration, and professional growth.**

These dynamic breakfast gatherings feature distinguished women leaders sharing their personal journeys, including pivotal challenges, near-misses, and the lessons they've learned along the way, while guiding table discussions on leadership, career growth, and personal development.

Using an open-seating format, the events spark authentic connections and place guests at the center of the "aha!" moments that happen when women from all industries and career levels come together. Attendees leave inspired, equipped with actionable insights, and connected to a vibrant network of mentors, peers, and friends.

## WHO ATTENDS?
