

2025 UPDATE & SUPPORTER RECOGNITION

THE EPICENTER OF AHA!™

Since 1979, the Leadership Louisville Center has been where leaders come to see differently, connect deeply, and act boldly.

Over the past five years, we accelerated that promise. Guided by a clear strategic vision, we expanded participation, strengthened philanthropic investment, increased access to scholarships, elevated diverse leadership voices, and positioned Louisville as a national center of excellence in community leadership. Even in uncertain times, our momentum grew.

The pages ahead highlight the measurable impact of our most recent strategic plan and recognize the 2025 Supporters whose generosity makes this work possible.

With gratitude for where we have been and confidence in what we have built, we now move forward with a new strategic focus:

Talent Ready. Community Strong. Future Ready.

Strategic Vision. Measurable Impact.

Our 2019 to 2025 strategic plan set a clear promise to grow our reach, deepen our impact, and strengthen the fabric of our community. Guided by our new **purpose to inspire and equip leaders to be better and do better** and our **vision to become a national leader in social impact leadership**, we advanced meaningful change during one of the most challenging periods in recent history.

Grounded in our strategic imperatives to **equip more people with confidence and courage, foster connections that strengthen the social fabric**, and **sustain a high-performance enterprise**, we achieved extraordinary momentum even in the midst of a global pandemic. Our achievements have positioned the Leadership Louisville Center as a national center of excellence and a catalyst for community transformation.

**From 2020-2025 the Leadership Louisville Center grew from
700 → 2,000 participants annually.**

This is how:

EQUIPPED MORE PEOPLE TO LEAD WITH CONFIDENCE AND COURAGE

1. SOCIAL ENTREPRENEURSHIP

We launched our professional development brand to generate earned income and greater impact.

2. EXPANDED WOMEN'S LEADERSHIP PROGRAMMING

3. GREW ANNUAL PHILANTHROPY SUPPORT FROM \$264K → \$474K

That allows significantly greater access to tuition assistance and enabling more diverse and inclusive classes.

**SCHOLARSHIP
RECIPIENTS**
FY2020 - FY2025

543 leaders supported

Over **\$724K** awarded

Over **400** organizations

FOSTERED CONNECTIONS THAT STRENGTHENED THE SOCIAL FABRIC OF THE COMMUNITY
